04 Note:

Movement

- ⚠ When moving, be sure to stop the console and unplug it.
- ⚠ Hold the fan pillar firmly to avoid falling and injuring people.

Installation

- ⚠ Be sure to install this product correctly according to the instructions. Otherwise, electric shock, fire, personal injury, or other damage may occur.
- ⚠ If the fan is not assembled, do not turn it on.

During use

- ⚠ If the product has abnormal noise, odor, high temperature, inconsistent fan rotation frequency, etc., please stop using it immediately.
- ⚠ Do not lean on the fan and do not tilt the fan during operation.
- ⚠ Do not manually swing the machine head repeatedly, as this may damage the internal transmission mechanism.

Power Cord

- ⚠ Before performing maintenance work or moving the fan, disconnect the power adapter from the AC outlet.
- ⚠ When disconnecting the power adapter, do not pull on the power cord.
- ⚠ If the power cord is damaged, it must be replaced by the manufacturer, its service agent, or a qualified technician to avoid hazards.

05 Warning:

Improper use may result in electric shock, fire, personal injury, or other damages.

- ⊘ Do not use this product near objects that are unstable or prone to tipping.
- ⊘ Do not use this product in hot or humid environments, such as bathrooms.
- ⊘ Do not use this product if the power cord is damaged or the power plug is loose.
- ⊘ Do not operate this product if the front grille is not installed or if the rear grille is loose or detached.
- ⊘ Do not allow children or adults who do not understand this instruction manual to operate this product.
- ⊘ Do not disassemble or repair this product without authorization.
- ⊘ Do not excessively twist, bend, or pull the AC power cord, as this may expose or damage the internal wires.
- ⊘ Do not insert fingers or foreign objects into the front grille, rear grille, or moving fan blades.
- ⊘ Do not place hair, fabrics, or other objects near the fan, as they may become entangled and cause injury.
- ⊘ Do not use an improper or incompatible AC outlet.
- ⊘ Do not use the power adapter provided with this product for any other device.
